SCORING

Calculate Your Score:

Part 1 (Spiritual Maturity): _____ / 48

Part 2 (Life Stability): _____ / 40

Part 3 (Leadership Readiness): _____ / 50

Part 4 (DNA Competencies): _____ / 32

TOTAL: _____ / 170

RESULTS:

136-170 points (80%+) = READY TO LAUNCH

You demonstrate the spiritual maturity, life stability, and DNA competencies needed to lead a DNA group. You're cleared to launch.

Next Steps:

1. Meet with your pastor/coach to celebrate and confirm
2. Finalize your co-leader (if not already identified)
3. Begin Phase 2 of Launch Guide (The Invitation) - identify and invite your first 2 disciples
4. Set your official DNA group launch date
5. Review DNA Group Agreement templates and customize for your group

Congratulations! You're ready to become a DNA leader.

111-135 points (65-79%) = NOT YET READY

You're making progress but have specific gaps to address before leading others. This doesn't mean you're disqualified—it means you need more preparation.

Next Steps:

1. Meet with your pastor/coach to review your results
2. Identify your weakest category (see breakdown below)
3. Create a 6-8 week growth plan focused on those areas
4. Retake the assessment after completing your growth plan
5. Consider serving as a CO-LEADER (under an experienced leader) while you continue developing

Don't rush this. Better to launch ready than to launch too soon.

110 points or below (<65%) = NOT READY

You need significantly more time and development before becoming a DNA leader. This isn't failure—it's wisdom. Continue growing as a disciple before attempting to lead.

Next Steps:

1. Meet with your pastor/coach for honest conversation
2. Consider JOINING a DNA group as a disciple (not leading yet)
3. Focus on the areas below that scored lowest
4. Reassess in 6-12 months after significant growth
5. Get additional support: counseling, spiritual direction, mentorship

God's timing is perfect. Trust the process.

CATEGORY BREAKDOWN

Calculate your percentage for each category:

Category	Your Score	Max	Percentage
Spiritual Maturity	___	48	___%

Timeline: Focus on personal growth for 6-12 months before reconsidering

PASTOR/COACH DEBRIEF GUIDE

When reviewing results with leaders, use this framework:

1. Celebrate Courage (5 minutes)

"Thank you for completing this honestly. Self-awareness is the first step to growth."

2. Review Overall Score (5 minutes)

"You scored ____ out of 170. Here's what that means..."

Explain their readiness level: Ready / Not Yet / Not Ready

3. Discuss Category Breakdown (15 minutes)

Look at which category was weakest. Ask:

- "Does this surprise you?"
 - "What do you think is driving that lower score?"
 - "Where have you seen this show up in your life?"
-

4. Make a Decision Together (10 minutes)

If Ready: "I affirm your readiness. Let's get you launched. Here's what's next..."

If Not Yet: "You're close. Let's create a growth plan for the next 6-8 weeks. We'll focus on [specific area]."

If Not Ready: "I care about you too much to let you launch before you're ready. Let's talk about what needs to happen first."

5. Create Action Plan (10 minutes)

Ready → Launch Plan:

- Co-leader: _____
- Launch date: _____
- Potential disciples: _____
- Next meeting: _____

Not Yet → Growth Plan:

- Focus area: _____
- Specific action steps: _____
- Accountability: _____
- Reassessment date: _____

Not Ready → Development Plan:

- Join DNA group as disciple? Y / N
 - Additional support needed: _____
 - Growth timeline: _____
 - Check-in date: _____
-

6. Pray Together (5 minutes)

Close by praying over their journey—whether launching, preparing, or developing.

IMPORTANT NOTES

This Assessment is NOT:

- A measure of your worth or value to God
- A comparison to others
- A permanent label ("not ready" can become "ready")
- A judgment on your spirituality

This Assessment IS:

- A snapshot of current readiness
 - A tool for growth and development
 - A way to set you up for success (not failure)
 - A loving gate to protect you and those you'd disciple
-

REASSESSMENT

When should you retake this quiz?

Scenario 1: You scored "Not Yet" or "Not Ready"

Retake after your growth plan timeline (6-12 weeks)

Scenario 2: You launched and led for 12 months

Retake before MULTIPLYING to validate readiness for next level

Scenario 3: You're considering moving from co-leader to lead leader

Retake to ensure you're ready to lead independently
